The image shows three overlapping medical forms from the Sundhedsdatastyrelsen. The top form is 'Vandrejournal' (Side 1 af 2), the middle is 'Svangerskabsjournal' (Side 1 af 2), and the bottom is 'Indlæggelsesjournal' (Side 2 af 2). The 'Svangerskabsjournal' form is the most prominent and contains sections for: Personal information (Name, Address, Email, Phone), Social information (Living situation, Employment, Education), Pregnancy history (Previous pregnancies, Abortions), Current pregnancy (Gestational week, Ultrasound results), and Medical history (Chronic diseases, Medication, Allergies). An arrow points from the list of data points on the left towards the 'Svangerskabsjournal' form.
